Vicki Thorn is the founder of the National Office for Post Abortion Reconciliation and Healing, as well as the founder of Project Rachel. Over 140 U.S. Dioceses have started a Project Rachel Ministry, and it is spreading around the world! She writes and lectures about the effects of abortion on all its victims and the importance of post-abortion healing. Her talks include insights on many aspects of abortion and the challenges of women in crisis pregnancies.

Vicki's presentation was received with great appreciation by 200 priests and bishops (and some laity) at the Healing and Deliverance Conference at Chicago's Mundelein Seminary August 2010. Vicki will share how the Lord called her into the ministry of healing amidst a culture of death. You won't want to miss her fascinating message for male and female relationships and family.

Vicki's talk will include God's plan for marriage and family. Vicki will hold your attention with the amazing information she shares about God's design for men and women, their spirituality, psychology, and physiology. Vicki's presentation will empower you to become an instrument of healing through prayer and ministry in your families. Please invite a friend to be blessed. Included is a Eucharistic Healing Service.

***All diocesan Pro-Life ministry leaders/members are invited to hear Vicki Thorn speak on "Healing the Male and Female Identity, and the latest news about Contraception" on Friday, May 20 at St. Joachim's Parish Hall from 7 to 8:30 PM. No registration required for this Magnificat Special Event at St. Joachim's.***
